

SWIFTWALL® POD

Lactation Pop-Up Pod

A quiet, private space
when it matters most.

Support working moms
in minutes, not months.

Lactation rooms should never feel like an afterthought. They shouldn't be improvised, exposed, or hidden behind curtains.

SwiftWall creates real, hard-wall lactation rooms in minutes — no tools, no training, no installation crews. Clean, secure, and professional in any environment.

Each Pop-Up Pod assembles in minutes and provides a dedicated, non-bathroom space with a locking door. Easy to place. Easy to move. Easy to reuse wherever it's needed next.

Support your team with compliant lactation space — fast.

Features & Benefits

- Preassembled, plug-and-play
- Ships in 48 hours
- Tool-free assembly in minutes

Quickly Reconfigure Onsite

- Store when not in use — or repurpose for future needs

Comply with the PUMP Act

Under the Fair Labor Standards Act (FLSA), most employees are entitled to reasonable break time and a private space to pump breast milk.

The space must be:

- ☒ Shielded from view
- ☒ Free from intrusion
- ☒ Not a bathroom
- ☒ Equipped with electricity

You should:

- ☐ Provide a flat surface for the pump (not the floor)
 - ☐ Provide a place to sit
 - ☐ Allow reasonable break time
- Learn more: dol.gov/pump-at-work
